

STILLEN

Press Release - 7/22/08 For Immediate Release

STILLEN 2003-2008 350Z Fascia

Part# [1035010](#)

Shown with optional Splitter Part# [1035010SP](#)

The STILLEN 2003-2008 350Z Fascia allows owners of this iconic sports car to upgrade the appearance of their car. The Fascia provides a serious appearance upgrade that changes the attitude of the 350Z, creating a purposeful aggressive look with improved functionality thanks to larger air dam openings in front of the brakes and radiator. All '06-'08 cars will require the use of '03-'05 side marker lights. A perfect match with any of our other 350Z body parts (listed below).

STILLEN understands that our customers want quality products that perform and look good. In keeping with the STILLEN tradition, our urethane body kits are designed, prototyped, tested, and molded in our state of the art facilities in Costa Mesa, California. Care is taken to manage air flow while blending the lines of each part with the vehicle. The effect: A distinctive statement that looks and fits like an original factory product.

All of STILLEN's urethane parts are flexible, durable and impact resistant. We guarantee our urethane components with a Limited Lifetime Warranty against cracking or breaking in normal use for as long as you own your vehicle.

Also Available for '03-'08 350Zs:

Front Splitter Part# [1035010SP](#) (for use with the STILLEN Fascia)
