STILLEN License Plate Bracket

2008 Infiniti G37 Coupe

2007-2008 Nissan Sentra

Part# [105475](#)

If you own an Infiniti G37 Coupe or Nissan Sentra and do not want to put holes in your front fascia in order to mount your front license plate, then these kits were developed for you!

Our kits install where the factory tow-hook is screwed in (accessed through the lower factory grille for the G37 Coupe and front bumper for the Sentra). It's as quick & easy to remove as it is to install, making it perfect for shows & other situations where having a front plate just wouldn't look right.

Includes all hardware and instructions. Installs in minutes!
