

STILLEN

Press Release - 3/14/08 For Immediate Release

STILLEN '07-'08 Sentra SE-R Spec V Rear Section Exhaust

Part# [504231](#)

Enhance the sound and performance of your 2.5L Sentra SE-R Spec V with this hi-flow stainless steel rear section exhaust upgrade from STILLEN. All STILLEN exhausts are constructed from stainless steel that will stand up to the elements. The restrictive factory muffler is eliminated and replaced with a tuned high flow muffler for the perfect combination of sound, style and performance. Mandrel bends provide superior flow and a CNC cut flange provides a precise fit with no leaks.

STILLEN Exhaust systems are designed, engineered and manufactured in Costa Mesa, California to the most stringent quality standards, are dyno-tested in house, then carefully tuned to the unique characteristics of each individual model. Add a nice exhaust note along with increased performance and styling to your Spec V today.

More applications are available. For more information, please contact us at 800-711-0310.

STILLEN is an aftermarket performance parts manufacturer, retailer and wholesaler located in Orange County, CA. All R&D and design is completed onsite at their headquarters in Costa Mesa, CA under the direction of legendary IMSA Champion and multiple record holder, Steve Millen. With more than 20 years of experience in the industry, STILLEN can be counted on to deliver the highest quality parts at competitive pricing.
