## STILLEN Ford F350 Super Duty Body Parts 2008 Ford F350 Super Duty

Searching for something to customize your Super Duty? Add a bold new look with STILLEN urethane body parts. Designed in house to compliment the lines of the stock body, STILLEN urethane components are then prototyped, and molded in our state of the art facilities in Costa Mesa, California. The result – a bold and aggressive look that fits like OEM.

All of the STILLEN body components offer the same durability and longevity typical of STILLEN urethane. That's why we guarantee our urethane components with a Limited Lifetime Warranty against breakage or cracking in normal use for as long as you own your vehicle. We recommend painting and installation be done by an experienced and quality-oriented body/paint shop.

### Front Bumper Cover - Part# [KA4811SD](#)

Add a distinctive look to your Super Duty with this urethane front bumper cover. This cover is the same shape as the stock bumper but allows the bumper to be color-matched to the body. This offers maximum impact and helps to set your truck apart from the sea of trucks equipped with the factory chrome or grey textured plastic bumpers.

### Rear Roll Pan - Part# [KA4828](#)

The STILLEN urethane rear roll pan is a must have for the enthusiast looking for a smooth custom look. The STILLEN urethane rear roll pan matches the factory bed profile and fits flush, removing the bulky factory bumper and cleaning up the appearance of your Super Duty.

More applications are available. For more information, please contact us at 800-576-2144.

*STILLEN is an aftermarket performance parts manufacturer, retailer and wholesaler located in Orange County, CA. All R&D and design is completed onsite at their headquarters in Costa Mesa, CA under the direction of legendary IMSA Champion and multiple record holder, Steve Millen. With more than 20 years of experience in the industry, STILLEN can be counted on to deliver the highest quality parts at competitive pricing.*
